

North Central London Wellbeing Offer

This pack sets out some of the local and national support that is available to support the wellbeing of care provider staff working across North Central London during the COVID-19 pandemic.

This pack should not be viewed as an exhaustive list, but rather a helpful starting point of what support is available.

May 2020

Physical Health and Financial support resources	<u>Slide 15</u>

You can also read the national guidance that has been issued on how to look after your mental health and wellbeing during the coronavirus (COVID-19) outbreak [here](#).

Introduction

Thank you for all that you and your staff are doing to provide care and support to your residents, and to help keep them safe during the COVID-19 pandemic.

We know that COVID-19 has placed you all under extreme pressure, and the pandemic will be impacting on your work and personal lives in different ways.

To support you through these challenging times we have pulled together in this pack some of the resources and support that are available locally and nationally to help your wellbeing during the pandemic. We hope you find this pack and the resources listed within it easy to use and access.

For information and guidance around other issues such as staff and resident testing, infection prevention and control, digital support for the care sector, end of life care, and webinars and training, please visit [NCL care home and domiciliary care provider webpage](#).

This pack will be reviewed and updated regularly. Please email Nicky.Freeling@camden.gov.uk or carly.watson5@nhs.net if you have any feedback or resource suggestions for the pack.

For all staff

NCL in Mind, hosted by Tavistock and Portman NHS Foundation Trust

NCL in Mind consists of the [Together in Mind website](#) which contains useful resources, materials and good practice.

The website is run by a team of wellbeing and mental health practitioners. The website content is updated frequently and is based on user feedback and activity.

The [Together in Mind website](#) has a range of resources, including practical guidance, podcasts and longer reads.

The website also houses a daily wellbeing survey that takes only 90 seconds to complete. Completing the survey is encouraged as it helps to ensure the website content is tailored to your mental health and wellbeing support needs.

The [Together in Mind website](#) is relevant to anyone who works in health and social care in North Central London.

Please email nclinmind@tavi-port.nhs.uk if you would like:

- further information about NCL in Mind;
- to discuss how NCL in Mind can support your staff;
- to share ideas for resources or podcasts for the website.

Haringey Community Education Provider Network (CEPN) weekly mindfulness sessions

30 minute guided meditations to release tension. Sessions are conducted over WebEx and run every Tuesday from 1.00 - 1.30pm.

Sessions include short teaching and time for questions at the end of the meditations.

Open to all NCL staff.

For further information and joining instructions see [here](#).

For all staff

Employee Assistance Programme (EAP) for Enfield providers

This free service provides access to confidential, expert advice, invaluable information, specialist counselling and support.

EAP consists of telephone counselling, life management advice, a 24/7 Helpline and the EAP website.

EAP can support you in many different areas, such as legal, family, emotions, money, work, health, relationships, addiction, and older people.

For all staff (and their immediate family members living in the same household) who work for organisations registered to provide care services in Enfield. This includes domiciliary care, Personal Assistants, Residential/Nursing, VCS (contracted to LBE), the VCS providers within the borough, and community services providing supported living support and day activities.

For further information please visit:
[My Life Enfield EAP](#)

Alternatively you can call EAP's 24/7 Freephone on
0800 652 8920

COVID Mutual Aid UK

Groups of volunteers supporting local community groups organising mutual aid throughout the Covid-19 outbreak in the UK.

Mutual aid groups aim to support the most vulnerable with errands, information distribution and emotional comfort.

Anyone in need of assistance.

You can search for local volunteer groups at [covid mutual aid](#)

Local Peer Support (1/2)

What is available?

What does it cover?

Who is this for?

For more information

For managers

WhatsApp Group for Residential Home Managers

A WhatsApp group for registered managers across all social care in North Central London. The group is intended as peer support for managers during the pandemic.

The group was set up in March by Capital Nurse, My Home Life, North Central London CCG, North London Councils and Skills for Care

The group guides their own conversation and issues raised are led by managers' needs. Much of the discussion to date has been around staffing, PPE, infection control, handling of challenging situations involving COVID19 as well as general peer to peer support.

The group has added support from a returning doctor, an advisor in infection control, pharmacists, a PPE broker, and Skills for Care who are able to answer any health, infection control, PPE and workforce related questions.

The WhatsApp group is open to all CQC registered managers of social services in North Central London. This will include nursing homes, care homes, home care agencies as well as supported living.

For further information please contact **Voyta Camek**
Voyta.Camek@skillsforcare.org.uk

Barnet Peer Support Network Groups for Registered Managers

The Care Quality Team is offering advisor facilitated groups for registered managers within Barnet.

These network groups aim to support the wellbeing of managers by providing an opportunity to link and share with local peers.

A number of groups are currently set up for registered managers working in nursing homes, extra care housing schemes, learning disabilities care homes and domiciliary care. Other groups are planned and will be starting shortly.

For further information please contact:
carequality@barnet.gov.uk

Local Peer Support (2/2)

For managers

Peer Support for Care Home Managers in Islington

Facilitated peer support groups for care home managers in Islington.

Emotional and wellbeing peer support

Available to all care home managers in Islington.

For further information please contact **Marina Palomo**
Marina.Palomo@candi.nhs.uk

For all staff

Virtual Facilitated Group Conversations, run by the NCL Training Hub together with My Home Life

One hour virtual facilitated group conversations. These are a safe online forum for discussion and sharing of ideas.

The group provides a safe space to discuss residents' care and practical issues, share experiences, share concerns and support each other.

For all care home staff - The virtual one hour facilitated groups are for all care home staff working across North Central London.

Please contact nlccg.thcarehomesupport@nhs.net for further information about either the all staff or managers groups. You may also send details of anyone who you feel would benefit from this support and they will be contacted with joining details.

The groups aim to create a sense of belonging and a feeling of being supported in these difficult times.

Having facilitated conversations is an effective way of providing a space for staff to express their concerns and look after their own well-being.

For care home and domiciliary care managers - As part of this support offer two groups of eight participants are being run by My Home Life specifically for care home and domiciliary care managers. The groups will be facilitated by a professional coach and held once a fortnight over Zoom from June to August. The focus of the groups will be on professional wellbeing and helping participants to reflect on ways to manage the challenges they are facing.

One to One Local Support (1/2)
